Roster 1951-52

KIN SONGS

Here we are, together once again,
One and all, a happy bunch of men,
Leave your cares and worries for a while,
Let your face break forth in smile.
Look around, grab someone by the hand,
He's your friend — the finest in the land.
Now all set — let's shout to beat the band,
Kinsmen! Kinsmen! Kinsmen!

Kinsmen, Kinsmen all together,
Brothers, friends for weal or woe.
One in joy or adversity
Undivided, on we go,
Cherishing a high ambition
Worthy of the land we love,
With a square deal for our brothers,
For our kinfolk, and for others,
We are proud to call each other,
Brother Kinsmen.

(Words by Manley Edwards)

THE KINSMEN CREST

The design of our crest is known in heraldic language as the "Fret". It is composed of a saltire and masle intertwined. The saltire is a St. Andrew's Cross, which, of course, is a symbol of service by personal sacrifice, which is the underlying principle of our organization. The masle is the square, which is the symbol of uprightness or rectitude of life, and standing for integrity of character.

The cross and square are so intertwined as to be inseparable making a splendid representation of the idea behind Kinship, for our very name is one of relationship.
